

## Clarkson College Thesis Titles

---

*Updated: 09/02/2004*

A comparison of baccalaureate nursing students' attitudes toward the elderly at the beginning and end of nursing program

Author (s): Stutheit, Cheryl

Call Number: WT 19/St94 2002

A correlational study of nurses' assessment of patients' pain using the post anesthesia care unit behavioral pain rating scale and patients' self-report of pain.

Author (s): Prentice, Debarra Christine

Call Number: WL 704/P919 1997

A diabetic educative/supportive intervention: its effect on metabolic control

Author (s): Assad, Elaine Ann

Call Number: WK 810/ AS71 1997

A study of adolescents' knowledge of stress.

Author (s): Dougherty, Michele Ann

Call Number: WS 462/D744 1997

A study of critical thinking dispositions of nurse educators.

Author (s): Pendley, Justina

Call Number: WY 195/P374 1997

A study of the effect of chronotherapeutics on hypertension.

Author (s): Perez, Hector

Call Number: WG340/P415 1997

A study of the effects of a health habit questionnaire on family practice residents' propensity to provide and document health promotion counseling.

Author (s): Speicher, Robin A.

Call Number: WA 18.2/ Sp32 1997

A study of the impact of intracoronary stent placement on quality of life for patients with coronary artery disease.

Author (s): Buckner, Maureen M.

Call Number: WG 300/B857 1997

A study of the integration of spirituality and patient care.

Author (s): Berry, Kathleen

Call Number: WM 61/ B459 1997

A study of the postpartum home visit and its effect on maternal coping.

Author (s): Humiston, Leeanne L.

Call Number: WQ500/H883 1997

Admission, progression, and end-of-program predictors of success on the NCLEX-PN among practical nursing students

Author (s): Luoma, Kari Leigh

Call Number: WY 18.8 L973 2003

Ascorbic acid and iron nutritional status in institutionalized elderly women

Author (s): Schulz, Paula S. Higgins

Call Number: WT 115/ S83a 1984

Assessment of psychological stress in spouses of myocardial infarction patients.

Author (s): Mack, Joan M.

Call Number: WY 16/M19 1982

An Assessment of the moral judgement and the prior informal and formal moral education of practicing staff nurses

Author (s): Larson, Anne M.

Call Number: WY 85/L335a 1985

Attitudes of operating room nurses toward organ donation

Author (s): Marcum, Linda

Call Number: WO 660 M334 2002

Attitudes toward menopause of women attending a general gynecology clinic

Author (s): Guzman, Victoria Marie

Call Number: WP 580/ G994 1997

Brief educational intervention for the reduction of cholesterol in a rural population.

Author (s): Book, Judith A.

Call Number: WB 425/B644 1997

Cardiac rehabilitation and patients' health perceptions

Author (s): Brady, Beth Ann

Call Number: WB 320/ B729 1997

Cholesterol education : does it increase patient's knowledge, and decrease total serum cholesterol?

Author (s): Dawson, Steven Brian

Call Number: WB 425/D327 1998

Codes : Recall of internal hospital emergency procedure activation systems

Author (s): Naumes, Susan G.

Call Number: WX 185/N224 2000

A Comparative study of faculty and employer perceptions of ADN graduate competencies at graduation and one year later as measured against the NLN competencies for ADNs

Author (s): Krauss, Elizabeth A.

Call Number: W 16 / K868a 1996

Comparative study of restrained verses unrestrained victims of motor vehicle accidents

Author (s): Vogt, Robin

Call Number: WA 275/V868c 1997

Comparative study of the attitudes of South Dakota RNs and LPNs about chemical dependency and impaired colleagues

Author (s): Hohman, Mona

Call Number: WY 16/ H686c 1996

A Comparative study on the cost effectiveness of computer assisted instruction and the traditional lecture  
Author (s): Goranson, Wanda S.  
Call Number: W 18 / G65c 1997

Comparison of certified nurse-midwives and obstetricians regarding use of epidural anesthesia  
Author (s): Dunoh, Agnes Wata  
Call Number: WO 305/D923 2001

Connectedness and religiosity as protective factors: enhancing health promotion among parochial high school adolescents  
Author (s): Morrison, Cynthia Sue  
Call Number: WA 590/M831 2003

Consumer acceptance of nurse practitioners  
Author (s): Hansen Schweser, Clare  
Call Number: WY 128/H198 1998

Consumer acceptance of the nurse practitioner  
Author (s): Preston, Elizabeth Marie  
Call Number: WY 128/P926c 1996

Coping and interaction patterns within families of adults with the chronic disease rheumatoid arthritis  
Author (s): Gross, Gloria J.  
Call Number: WE 346/G914c 1986

Core body temperature of cardiopulmonary bypass patients with and without the use of a warming blanket  
Author (s): Moore, Renee Lynn  
Call Number: WG 269/M786 1999

A descriptive study of health professionals and non-health professionals regarding their readiness to quit smoking  
Author (s): Murphy, Mary Anne  
Call Number: WM 290/M955 1999

A descriptive study of the use and benefits of the harp in music therapy  
Author (s): Wollenhaupt, Connie Davis  
Call Number: WB 550/W834 1998

Determining Change in Coronary Heart Disease Risk Factor Scores Among the Uninsured Who Attend a Free Medical Clinic in Arkansas  
Author (s): Shepard, Paul M.  
Call Number: WG 300 AA8/Sh47 2001

The difference in perception of quality of life in patients one year after an infrainguinal bypass for critical limb ischemia  
Author (s): Robinson, Carolyn  
Call Number: QZ 170/R561 1998

Domestic elder abuse : a descriptive study  
Author (s): Capps, Paulette Elaine  
Call Number: HV 6626.3/C174 1999

Educational programs for the preparation of surgical technologists: a comparative study  
Author (s): Ferreira, Ava M.  
Call Number: WY 18.5/ F413 1997

The Effect of "Keys to Caregiving" on the bottle feeding practices used with preterm neonates  
Author (s): Kirvin, Cecelia F.  
Call Number: WY 157.3/K639e 1997

The effect of an interactive video teaching program on preoperative teaching outcomes and length of nurse/patient interaction  
Author (s): Shellenbarger, Paula Rae  
Call Number: WX 158.5/Sh43 1999

Effect of content-related humor on recall of content.  
Author (s): Burt, Barbara Jean  
Call Number: BF 378.S54/B95 1998

Effect of hatha yoga on flexibility and balance of school children enrolled in 'be a fit kid' program  
Author (s): Smith, Joan M. B.  
Call Number: QT 255 Sm61 2003

The effect of music therapy on pain perception of selected postoperative orthopedic patients following physical therapy  
Author (s): McCarville, Beth Ann  
Call Number: WB 550/M127 1998

The effect of music therapy on the reduction of anxiety for myocardial infarction patients  
Author (s): Cohen, Rebecca L.  
Call Number: WB 550/C66 1999

The effect of risk factors for fractures among persons with mental retardation in an intermediate care facility  
Author (s): Buchanan, Sheryl Ann  
Call Number: WE 180/B851 1997

Effect of the emergency department environment on blood pressure.  
Author (s): Sale, Peggy  
Call Number: WG 106/Sa32 1997

The Effect of therapeutic touch on irritable bowel syndrome  
Author (s): Cooper, Rhonda E.  
Call Number: WB 880/C787e 1997

The Effect of work-related and personal demographic variables on burnout and hardiness in nurse managers  
Author (s): Kelly, Michele B.  
Call Number: WM 172/K297e 1997

The Effects of a Semi-Fowler's position on body response during nuclear cardiac stress testing using the pharmacologic agent adenosine  
Author (s): Seckman, Ann Christy  
Call Number: WN 160/S24e 1997

Effects of cooperative learning on the performance anxiety of first level associate degree nursing students during the acquisition of psychomotor skills  
Author (s): Baker, Diana  
Call Number: WY 18/B172e 1997

Effects of seatbelt use on injury severity, length of hospital stay, and cost of care.

Author (s): Talbott, Marcie Schunneman

Call Number: WA 275/T142 1997

Elementary school health programs : demonstrating effectiveness through outcomes-based research

Author (s): Fishback, Donna L.

Call Number: WA 350/F529 1999

A retrospective comparative study of the effect of an advanced practice nurse-certified diabetic educator and registered nurses on diabetic management of patients with diabetes when measured by glycosylated hemoglobin levels.

Author (s): Wagner, Janice Kaye

Call Number: WK 810/W125 1998

Evaluating the effectiveness of an exercise education intervention in primary care

Author (s): Kerr, Alice Anne

Call Number: QT 255/K46 1998

Evaluation of outcomes of a care delivery model for urban Indians with type II diabetes mellitus

Author (s): Raetz, Elizabeth Ann

Call Number: WK 815/R121 1999

Evaluation of the pain perception of men during infiltration of local anesthetic for a vasectomy

Author (s): Yarbrough, Philip B.

Call Number: WJ 780/Y2 1998

Expectancy theory applied to performance of nursing students considering the realisticness of expectations.

Author (s): Pakieser, Ruth A.

Call Number: WY 16/P17 1979

An Experimental study of the impact of clinical psychodiagnosis, diagnosis concept , and dogmatism on the perception of psychopathology

Author (s): Smith, Jane E. Stilwell

Call Number: WM 20/S61e 1973

Factors that influence the infant feeding practices of low income women in East Central Iowa

Author (s): Blackmer, Michelle

Call Number: WS 120/ B566 1997

Faculty and student perceptions of effective nursing clinical teachers in associate degree nursing programs

Author (s): Stoltenberg, Karyl D.

Call Number: WY 18/S69f 1997

Gender bias among emergency department nurses caring for patients with chest pain : an exploratory study

Author (s): Glow, Steven D.

Call Number: WG 200/G519g 1997

Health beliefs and screening mammography : does age make a difference?

Author (s): Breach, Jill

Call Number: WA 590/B74 1998

Health care professionals' knowledge of blood pressure and the indirect arterial method of blood pressure measurement

Author (s): Chilton, Elizabeth Warner

Call Number: WB 280/C439 1998

Health perception in rural cancer patients and their health promotion behaviors.

Author (s): Laflan, Cathy J.

Call Number: QZ 201/L133 1998

Health promoting lifestyles of blue-collar workers employed in health care

Author (s): Leppert, Lisa D.

Call Number: WA 590/ L557h 1996

Health promotion behaviors of rural middle-aged women

Author (s): Blessington, Kay

Call Number: WA 309/ B617h 1996

Health-promoting behaviors of female nurse educators.

Author (s): McGehe, Elizabeth Gail

Call Number: WA 18/M459 1997

Health-promoting behaviors of older women in the rural setting

Author (s): Good, Patricia A.

Call Number: WA 309/G596 1998

Health-promoting behaviors of rural Kansas women throughout the lifespan.

Author (s): Bruna, Anne

Call Number: WA 309/B835 1998

Health-promotion behaviors of patients who have been counseled by physicians, nurse practitioners, and physician assistants

Author (s): Boettcher, Tamra Ann

Call Number: WA 590/ B633 1997

Incentives and academic career stages of baccalaureate nurse educators

Author (s): Gray, E. Anne.

Call Number: WY 18/G791i 1986

Influence of experts : the effect of certified diabetic educators on the staff nurses' knowledge of diabetes

Author (s): Williams, Celeste Hope Brown

Call Number: WK 810 / W671i 1996

Ingestion of vitamin A and health status of the non-institutionalized retired citizen : a quantitative-descriptive replication study

Author (s): Christlieb, Carol Palanuk

Call Number: WT 115/C464i 1982

Interventions of school-based services in identified problematic high school students.

Author (s): Malloy, Sue Ann

Call Number: WA350/M297 1997

Intrathecal analgesia: effect on length of labor and pain management for laboring women in a rural hospital

Author (s): Wilson, Judy A.

Call Number: WO 450/W694 2002

Is there a relationship between the Grace Reynolds Application and study of PETO (GRASP), patient classification system, and the Resource Utilization Groups (RUGS III), patient classification system?

Author (s): Wendling, Linda Adams

Call Number: W 15/W483 1998

Job analysis.

Author (s): Pakieser, Ruth

Call Number: WY 16/P17 1979

Knowledge based on critical care nurses: an urban and rural comparison.

Author (s): O'Brien, Juanita Marie

Call Number: WY154/Ob6 1997

Knowledge level and characteristics relating to use of 1997 National Heart, Lung, and Blood Institute (NHLBI) Guidelines for the Diagnosis and Management of Asthma by Family Nurse Practitioners in the State of Florida.

Author (s): Cundy, JoAnne Basso

Call Number: WF 553/AF4 C914 2001

The Life Experiences of People With Multiple Sclerosis Who Practice Yoga

Author (s): Franklin, Ada-Reva

Call Number: WL 360/F854 2001

Life satisfaction differences of rural versus urban institutionalized elderly

Author (s): Sather, Linda

Call Number: WT 100 / Sa82L 1980

Lived experiences of long term breast cancer survivors

Author (s): Arcaro, Lygia Lee

Call Number: WP 870/Ar21 1998

Locus of control and quality of life and their effects on seizure activity

Author (s): Pierce, Donald L.

Call Number: WL 385/ P611L 1997

Nurse practitioners : need for and willingness to hire.

Author (s): Hakenson, Diana K.

Call Number: WY 128/H127 1998

Nurses' knowledge of battered women

Author (s): Ralph, Anne E.

Call Number: HV 6625/R139 2000

Nurses' perceptions of causative factors of medication errors

Author (s): Kozik, Carolyn Grace

Call Number: QZ 42/K849 2001

Nursing schools : characteristics of the successful graduate.

Author (s): Wills, Linda M.

Call Number: WY 18/W685 1981

Nursing students are taught about dying.

Author (s): Farber, Virginia H.

Call Number: WY 16/F221 1978

Patient focused care : the path to empowered self-management a grounded approach

Author (s): Sather, Linda Strube

Call Number: W 85 / S83p 1991

Patient perceptions of disease and wellness in type 2 diabetes mellitus  
Author (s): Knapp, Dianne  
Call Number: WK 810/K727 1998

Patient satisfaction with the nurse practitioner role in the urban setting  
Author (s): Volkmer, LuAnn Anita  
Call Number: W 84.3/V885 1998

Perception of power among nurse practitioners in family planning clinics: a descriptive study.  
Author (s): Young, Sheryl  
Call Number: WY87/Y87 1997

Perception of power by RN's in patient focused care and non-restructured work environments: a comparative study  
Author (s): Moore, Kim.  
Call Number: WY 87 / .M784p 1995

Perception of stress by staff members in an adolescent milieu  
Author (s): Campbell, Christine  
Call Number: WM 172/ C152p 1977

Perceptions of compliance by health professionals  
Author (s): Gross, Gloria J.  
Call Number: W 85/G914p 1980

Perceptions of empowerment among nursing students in a baccalaureate program : a descriptive study  
Author (s): Dominski, Elizabeth Gable  
Call Number: WY 18/D713 1999

Perceptions of empowerment among registered nurses working in home health care: a descriptive study.  
Author (s): Remmenga, Michelle Steffen  
Call Number: WY 115/ R285 1997

Perceptions of Nurse Administrators and Clinical Nurse Specialists of the CNS Roles  
Author (s): Daniell, Janie G.  
Call Number: WY 128/D224 2001

Perioperative nurses' perception of power and opportunity and the relationship of demographic and work-related characteristics  
Author (s): Pasaka, Louise M.  
Call Number: WY 87 P26 2002

Photosensitive epilepsy.  
Author (s): Steinkruger, Marjorie  
Call Number: WL 385/St35

Pilot study to determine patients' comprehension of information provided for the purpose of making an informed consent.  
Author (s): Highfill, Deborah Mae  
Call Number: W 85/H537 1997

Power naps and the critical thinking ability of the twelve hour nurse night shiftworker  
Author (s): Thornton Hasiak, Nancye D.  
Call Number: WL 108/T395 1998

Preceptor Selection and Evaluation Criteria in U.S. Baccalaureate Schools of Nursing  
Author (s): Altmann, Tanya Kathryn  
Call Number: WY 18.5 / A179 2001

The Predictability of performance of diploma nurse graduates on the state board licensure examination  
Author (s): Gray, E. Anne.  
Call Number: WY 18/G791p 1979

Predicting success for baccalaureate graduates on the NCLEX-RN  
Author (s): Baina, Tutu Hawah  
Call Number: WY 18.5/B16 2001

Preoperative anxiety and postoperative recovery among selected cardiac  
Author (s): Madsen, Frances B.  
Call Number: WO 20/M267p 1977

Psychosocial needs of cancer patients and their spouses  
Author (s): Winscot, Carole Pfeifer  
Call Number: QZ 200 / W731p 1993

Recognition of domestic abuse in women by nurse practitioners.  
Author (s): Price, Diane E.  
Call Number: HV6625/ P931 1997

Relationship between alterations in endogenous circadian rhythm and normal activity patterns following surgical stress  
Author (s): Mack, Joan  
Call Number: QT 167/M19r 1983

The relationship between clinical practice guideline management and functional status in patients with heart failure : LV systolic dysfunction.  
Author (s): Nielsen, Ailene Ann  
Call Number: WG 113/N554 1998

The Relationship between critical thinking skills and grades obtained by associate degree students in nursing  
Author (s): Stewart, Gloria M.  
Call Number: WY 100 / S49r 1997

The Relationship between hope and quality of life among well older adults living in community settings  
Author (s): Hagey, Constance K.  
Call Number: WA 30/ H122r 1996

The Relationship between self-care and metabolic control in adolescents with insulin-dependent diabetes mellitus  
Author (s): Vitko, Lori Lyn  
Call Number: WK 810/ V832r 1996

The Relationship of prenatal alcohol consumption to related variables among a Native American population of the Northern Plains : a retrospective study  
Author (s): Bakken, Joanne A.  
Call Number: WQ 240/ B179r 1997

Relationship of serum potassium levels to preterm labor  
Author (s): Hellstrom, Cheryl D.  
Call Number: WQ 330/ H369r 1996

Relationships between health beliefs and self foot care practices among person with type 2 diabetes mellitus  
Author (s): Crowder, Katherine Pennigar  
Call Number: WK 810 C885 2002

Relationships of age, osteoporosis knowledge, self-efficacy, and health beliefs in adult women  
Author (s): Siddall, Laurie Ann  
Call Number: WE 250/ S13r 1996

Response to territorial intrusion by residents of a selected nursing home  
Author (s): Villafuerte, Mary Lou  
Call Number: WT 150/V712r 1978

Retained knowledge of nurses participating in PICC education classes.  
Author (s): Morris, Kathy Tackett  
Call Number: WY 18.8/M832 1998

Retention of female staff in a midwest rural hospital.  
Author (s): Smith, Katherine A.  
Call Number: W 21/Sm61 1997

Role ambiguity, role conflict, and depressive symptomology in rural nurse executives  
Author (s): Bull, Linda M.  
Call Number: WY 16/ B872r 1996

Self-care agency and health-promoting behaviors of college men and women : applying the health-promoting self-care system model  
Author (s): Edwards, Dyann M.  
Call Number: WA 590 / E96s 1997

The sexual behaviors of HIV positive and HIV negative African American women : a comparative study  
Author (s): Whyte, James IV  
Call Number: HQ46/W625 1999

Smoking cessation : what works best for whom?  
Author (s): Litz, Helen Louise  
Call Number: WM 290/L738 1998

Spiritual well-being of primary care clients and their perceptions of spiritual care by primary care providers  
Author (s): Skye, Cynthia Louise  
Call Number: WY 87/Sk92 1998

Staff's knowledge and caring behaviors prior to and after reading a portfolio about the personal aspects of a resident residing in a long-term care facility.  
Author (s): Heffel, Darci Marie  
Call Number: WY 152/ H361 1997

Stress and coping strategies of hospice nurses  
Author (s): Claussen, Patricia  
Call Number: WM 172/C574 1999

A Study about the effects of introducing a collaborative research model into a practice setting  
Author (s): Jones, Lisa K.  
Call Number: WY 20.5 / J72s 1997

A Study of hope in a group of community-dwelling older adults

Author (s): Karns, Denise L.

Call Number: WA 30 / K147s 1996

A Study of nurses' experiences of individuals with human immunodeficiency virus (HIV) positive and acquired immune deficiency syndrome (AIDS)

Author (s): Van Zuuk, Robert A.

Call Number: WD 308/V399s 1997

A Study of Nurses' Perception of Communication Related to Performance Improvement Methodology in the Acute-Care Setting

Author (s): Castagno, Mary Ellen

Call Number: WY 105/C274 2001

A Study of parent and student preferences for health care services in a school setting

Author (s): McCulley, Theresa

Call Number: WY 113/M139s 1997

Study of support for youth anti-tobacco policies among citizens in selected communities in Nebraska.

Author (s): Brewer, Camille Diana

Call Number: HV5745/B758 1997

A study of the cognitive styles of students and faculty in a school of nursing.

Author (s): Hyslop, Mary L.

Call Number: WY 16/H999 1979

A Study of the effects of a chest pain algorithm on the time to diagnose and treat myocardial infarction patients receiving thrombolytics in the emergency department

Author (s): Goruch-Schuette, Kelli

Call Number: WG 200/G687s 1997

A study of the patients' perceptions of nurse practitioners.

Author (s): Long, Elisabeth Maria

Call Number: W 85/L85 1998

Study of the use of medical supplies in the home.

Author (s): Roper, Sally Kay

Call Number: WY 115/ R682 1997

A study on medication administration and reported medication errors.

Author (s): Gray, Anne.

Call Number: QV 38/G791 1981

Teacher's knowledge of chronic illness and students in the classroom : can school nurses have an impact?  
A descriptive study.

Author (s): Hill, Jacqueline Lewis

Call Number: WY 113/H553 1998

The basic competencies of all professional registered nurses: a study to identify the competencies at time of licensure.

Author (s): Perry, Patricia B., Ph.D.

Call Number: WY16/P429 1978

The effects of a structured preoperative teaching program on patients' use of patient-controlled analgesia for pain management.

Author (s): Carver, Jolene Kay

Call Number: WO 200/C253 1997

The relationship between health promoting lifestyles and the practice of breast cancer screening behaviors in adult women

Author (s): Johnson, Christy R.

Call Number: WA 590/J63 1998

The relationship of chlamydia and/or gonorrhea infections to client demographics.

Author (s): Wilber, Edwina Lynn Fletcher

Call Number: WC140/W641 1997

A study on quality of life in first and primary occurrence cancer patients receiving chemotherapy

Author (s): Barr, Pamela

Call Number: QZ 200/B27 1998

Use of the RNEE, ACT, and grades as predictors of success in associate degree nursing programs

Author (s): Swenty, Constance Fay

Call Number: WY 18/Sw42 1998

Utilization of nurse practitioners by rural hospitals.

Author (s): Kalmbach, Libbie S.

Call Number: WY 128/K126 1998

What is the lived experience of making a significant career change within nursing?

Author (s): Weistreich, Tracy L.

Call Number: WY 16/W436 1999
